

# AS 940 SHERPA 4WD XL

## RIDE-ON BRUSH CUTTER

### FOR USE IN:

Meadows

Long meadow grass

Mulching & shredding

Slopes

Scrub

Uneven terrain

Four-wheel drive

YouTube

Technical specifications ▶

### VERSATILITY FOR ALL TERRAINS

Agricultural tires, switchable differential lock and an engine designed for slopes ensure excellent traction on difficult terrain.

### ENGINE DESIGNED FOR INCLINES

Equipped with an oil and fuel pump, oil pressure switch, and an air-cooling system to perform even under tough conditions.

### ALL-WHEEL DRIVE

Permanent all-wheel drive provides better traction and control when going up or down slopes.

### SLOPES & HIGH GRASS

Mow even in difficult areas! The AS 940 4WD XL cuts and mulches thick high grass and undergrowth.

### SURFING MOWER DECK

Self-contained mower deck with AS cross-blade system. The main blade cuts undergrowth and the cross-blade shreds it to a fine mulch. The mowing deck is designed to float, protecting the mower and providing additional ground clearance for difficult terrain.
